## PRESIDENTS MESSAGE

**T**hey say that summer is over but TYP356 Members know better. There are more activities on the calendar, both ours and others, so don't pull the battery out of your Tub just yet. There is the PCA Concours at The Elms in Newport that many of our members will be attending on the 6th; Board Meeting on the 8<sup>th</sup>, another Loafers lunch on the 17<sup>th</sup>, Drive Your Porsche Day on the 21<sup>st</sup>, and the East Coast Holiday starting on the 24th. With a group making the drive to N. Carolina for the ECH, I will attempt to coordinate the ride so, if you are attending, drop me an email with your travel schedule, departure day/time and proposed stop over on the trip and I'll see if I can match you up so that nobody has to drive down alone. Traffic always gives you a little slack if you're traveling in a group. Have a great month and keep your revs up. KTF Tom Tate

## CLUB EVENTS HELD IN AUGUST

### Founders Day 2014

Ken and Gloria Nykiel organized another great founders day event. The weather was beautiful as 11 Porsches and one VW Ghia enjoyed a scenic tour from Sharon through Easton to the Nykiel's home on Stoughton. On the way there, we stopped at the Governor Ames Estate in Easton. A large complex with a big pond, lots of trees and grassy areas. Ken gave us a short lesson on the Ames family and their contribution to Mass and the local area. They are quite an interesting family with a great history.

We arrived at the Nykiel's house for the Margaretaville themed lunch. Ken provided diaper pads for any dripping Porsches to protect his new driveway. Some parked on the street to be safe.

Many of us were dressed in island attire to enjoy the food and margaritas, it was close enough to 5 o'clock. The tropical inspired Buffet (as in Jimmy Buffet) was catered by Carla and Jay of Silver Spoon Catering. The food was outstanding including pineapple topped sliders and carved watermelon fruit salad, followed by fantastic key lime pie!!!!

Thanks to Ken and Gloria for hosting a fun event.

Ed Tobolski

## CLUB EVENTS HELD IN AUGUST

### August 27th Loafers Lunch

Taking full advantage of absolutely **BEAUTIFUL** August-in-New England weather, the following members showed up at the Price Chopper in Hopkinton to trek through the back roads of Hopkinton, Upton, Mendon and Westborough on our way to the August Loafer's Lunch.

Kathy and me (356 Speedster Replica)

Jim Hannum (Boxster)

Theo Kindermans (912)

Jeff and Christie Leeds (993?)

Lisa Roney (Boxster)

Len Cannizzaro (Mini Cooper)

Tom Coughlin (356 A Coupe with his new dual-ignition set up!)

The roads were narrow and winding with delightful rolling hills. In fact, this particular loop is one of my bicycle training loops of 40 miles or so, pruned here and there to be shorter, making a slightly different loop and ending up at the Westborough Country Club Grill for a delightful lunch.

Along the way, we had a very brief stop at the birthplace of Eli Whitney, inventor of the Cotton Gin and vertical milling machine and founder of the Whitney Armory in New Haven, CT. Unfortunately, none of his fortune found its way back to his birthplace, now quite in disrepair (Kathy said to me; "You stopped them THERE? Couldn't you have found a better place??" Oh well.....)

Anyway, we all had a great time and a wonderful lunch (the beet salad was to die for, as well as the fish and chips). A few of my photos are shown here and they all will be posted to the web site.

Gordon Nichols

## CLUB EVENTS HELD IN AUGUST

### *August 30th Open House at Unobtanium*

We had amazing weather for the open house event at Unobtanium. In attendance were a large group from the Boston area, lots of people from NY and PA, even a few as far as VA. As a special international treat, we had some Canadians come down. That was a surprise, but a nice one. Luckily, the weather shifted until Sunday so the day of the event we had sun and more sun, with even a nice breeze. We didn't take a head count but we allocated enough food to feed 100 people and the food truck guys said we went through about 2/3's of that, so we probably had about 75 people altogether.

It was a laid back affair with old friends and new, sharing stories about our cars and telling the stories of ones we had in inventory and on display. Like the 58 Coupe shell that won Daytona in 66, or the 64 SC with street sign floors reading "Speed Limit 50", it was hard to miss the drop top red tripecta you saw upon arrival, two 60 Roadsters and a C Cab.

Wray Schelin from Pro Shaper <http://www.proshaper.com/> came out and showed off the fender from the aluminum 550 Spyder he is building for us. It garnered a lot of interest, which is good because I know Wray plans to start building them for people. So, if you liked it, call Wray and get your order in.

As promised goodie bags, a raffle and food that was out of this world. There were hamburger sliders, chicken sliders, pulled pork sliders, mac & cheese and of course desert. Anyone that left hungry must have missed the food in favor of chasing parts.

They are thinking of making this a yearly event. So, if you didn't make it to this one, plan on next year.

Big thanks to everyone at Unobtanium for inviting us out for such a great day.

KTF Peter Venuti, Adam Wright
