Editorial

The driving year is off to a great start with Greg and Anna Marie Lane's southern Connecticut tour and Yankee Steam Works museum visit. We are getting more and more members in that area and they are an active group with an interesting mixture of cars. Thanks to Greg for organizing a fun event.

We're into the prime driving season and the weather is getting nice for our little cars. June is busy with the popular Paul Russell tour on the 11th, and our first Loafer's Lunch is scheduled for June 15th. Then the popular Sisson/Grace BBQ on the 26th. There are also lots of non-club events to do with your 356. The Bass Pro Shop cruise-in events have started and occur every other Thursday afternoon. If you want to see a ton of cars, from rat rods to exotics and everything in between, drive over to Patriot Place and park your car among the others, guaranteed you will get lots of positive comments. The next one is June 9th.

I hope everyone enjoys TubTimes. I am looking for cars to be the featured 356 in a future issue. If you are interested in writing a short article about your 356, let me know. Also, if anyone has a technical question about our cars or would like to know how to do something to our cars, let me know and I'll have one of our several technical gurus provide an answer for us. I particularly like to publish articles about upgrades we can do to our cars to make them safer and run better. Let me know what you've done to your car. KTF —Ed Tobolski, editor—tobolsed@verizon.net

New Members

There are three new club members this month:

- Greg Shook from Madison, CT. Greg owns a 1957 , 356A Speedster replica. (See page 11)
- John Loftus of Rye, NH. John owns a 1959, 356 Convertible D; a 1938, Jaguar SS100; and a 1999, Bentley Arnage.
- John Henry of Old Saybrook, CT. John owns a red 356 C coupe.

Allen Sisson, membership chairman

Saturday May 14th—The Yankee Steam Works Tour and 356 Shoreline Cruise

Hats off to Greg and Anna Marie Lane for organizing such a fantastic day. Amazing weather along with a fun filled day with no detail overlooked.

Twenty plus cars with members from at least three states were invited to a staging point on I-95 in Connecticut. Broken into three smaller groups, each with a designated leader, and with staggered starts, we had a lovely scenic hour plus tour through the back roads of Connecticut. Wrapping up the drive at Yankee Steam Works, a private museum owned and operated by Chris Greaves. Upon arrival, members were treated to some liquid refreshments along with some light snacks and a private museum tour lead by Mr. Greaves, himself. Check out their page on Facebook for details on the museum <https://www.facebook.com/YankeeSteamWorks>. Perhaps you will see a photo or two of fellow member Greg Lane, working at the museum as a volunteer, assisting in the restoration of the various pieces in the collection.

Once the tour was complete, members adjourned to the restaurant directly across the road for a buffet lunch in a private dining room. There, members relaxed and refueled while engaging in wonderful conversation and storytelling. Upon conclusion of the meal, the Lanes invited the entire group back to their home where cars were all parked in their backyard and members continued the conversations over additional refreshments to round out the day.

On behalf of the entire club, I want to thank Greg and Anna Marie for hosting yet another amazing event and for really kicking off the season right! Peter Venuti, President

June Events

Cars and Coffee at KMC (Kachel Motor Company).

Sunday, June 5th
9:00am to 12:00 noon

Join us, on June 5th, for a Cars and Coffee/Open House event at our sponsor, KMC. Those who have been there before will know what a clean, state-of-the-art motor shop this is. This facility has plenty of parking, so your cars will be secure. We worked out the date of Sunday morning, June 5, so you can drive over stay a few minutes or several hours and be home before noon. Tim, of KMC, does amazing work concentrating on racing cars. There will be lot's of Porsche's, a couple of Nobles, and other high end cars for us to examine.

FREE PPI by professional 's.....

KMC has agreed to provide a free Private Party Inspection (PPI) for one lucky member. They put your Porsche up on the lift and provide their opinion of the good and bad condition of your car. If anyone is interested in getting their car inspected, please let me know. They would like to have the car a couple of days before the event so they can go over it. *I will throw in a free Oil Change for the winner!!*****

Come out for a nice ride and a great time Sunday morning:

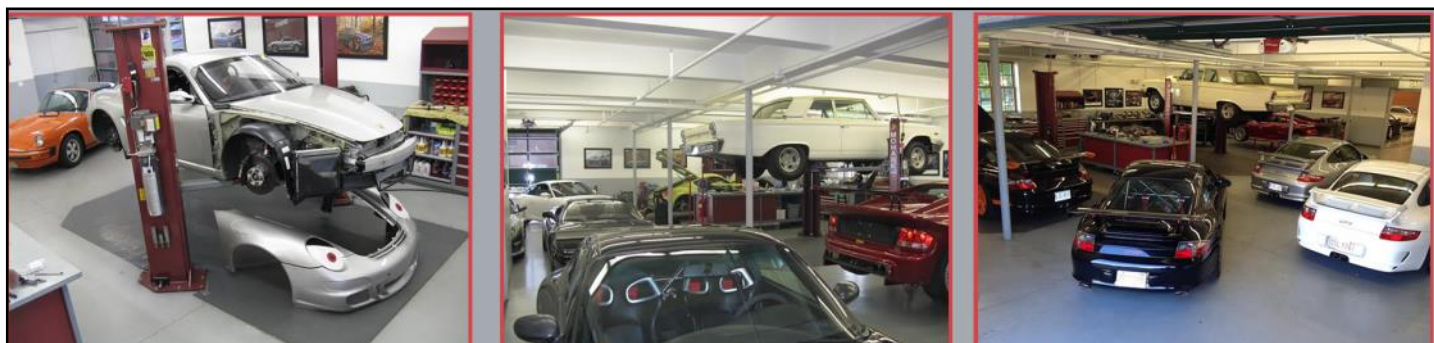

KMC (Kachel Motor Company)
425 Canal Street
South Lawrence, Ma.
just off I 495
www.kmcauto.com

Please let me know by Wednesday, June 1st., if you're coming, so we can order the coffee.

NOTE: we are discussing possible alternate dates if there is rain.

Ralph Hadley

rlsammmx@verizon.net

[Saturday, June 11th, Paul Russell Tour](#)

10am - 1pm
106 Western Ave, Essex, MA 01929

Registration for this year's Paul Russell tour is now open. The tour will be hosted, again, by fellow member, Alex Finigan, on June 11th at their facility at 106 Western Ave, Essex, Ma 01929. If you're not familiar with the organization, please check out their website <https://paulrussell.com>

There will be a Limit of 75 people total. Members can bring 1 guest, perhaps a teenager, to try to foster some interest in this hobby (guests are part of the total number of attendees). A \$20 per person donation, the money going to Fisher House in Boston, which provides temporary shelter for family members visiting wounded veterans while they are in the hospital. They are a wonderful organization that is not 'top heavy' in administrative fees.

Because the money is being donated, I ask everyone who registers for this event to bring a check the day of the event made out to the Fisher House Boston. This event always fills up, so if you need to back out of the event, please let me know as soon as possible and I can give your spot to another member so we can be sure to maximize the donation to the Fisher House.

As an added bonus Dennis McGurk has offered to open his home following the event, for a cookout. Dennis home is about 5 miles from the shop with plenty of off street parking for our cars.

If you would like to join us for the event, please email me at pvenuti@typ356ne.org . Let me know if you are coming on your own or with a guest. Also, let me know if you would like to join us at Dennis's house after the tour for the cookout. Peter Venuti

[Wednesday, June 15th Loafer's Lunch -](#)

[Drive to Nancy's Airfield Café, Stow, MA](#)

Summer's here, maybe. Time for the loafers among us to crank up the Tubs and do a little weekday cruisin'.

This 38 mile drive is a very low speed event going through mostly rural and residential back roads. If you are wanting to blow a little carbon out of the engine, this drive won't do it. But from the cruisin' aspect, we will only go through one traffic light in the first 35 miles!

We will gather at the Hartwell Tavern parking lot on Route 2A between Lexington and Concord, MA., Wednesday, June 15, at 10:00 AM and depart at 10:30. Specific details coming later in an e-mail to all. We will be driving through several historic towns including Concord, Carlisle, Littleton, Harvard and ending in Stow, MA. Along the way we'll make a brief stop at a scenic overlook.

We'll be lunching at Nancy's Airfield Café. This café has been reviewed in the Boston Globe and is a popular stop with locals and many car clubs. The menu is quite eclectic. Check out the details at www.nancysairfieldcafe.com. The airfield itself is just a one lane runway that serves small planes. On weekends it's quite active and landings & takeoffs are viewed through the windows while lunching.

From here it is a short drive to get on I-495 or Route 2 to return home. The Drive should wind up by 1 or 1:30. More specifics coming later in e-mails to all members. Plan to save the date -- I'll be asking for responses and number in your party if you'd like to join us, weather permitting.

Len Cannizzaro

[Allen Sisson/Mary Grace Barbeque](#)

Sunday, June 26, 2016 from 1 PM to 4 PM.

11 Spruce Way, Medfield, MA. Turn left on Spruce Way and #11 is at the end on the right.

A variety of beverages along with Memphis-Style ribs, Jerk Chicken, Pulled Pork, and all the fix in's catered by Blue-Ribbon Bar BQ.

There is plenty of parking on the cull-de-sac in front of our house for non-356s and on the lawn up the driveway for 356s.

This Barbeque event is rain or shine.

This year we are asking for a donation of \$15.00 per person.

Please email Allen Sisson asisson@angell.org by June 20, 2016 to confirm your barbeque attendance. Should your plans change after you respond, please let me know to be sure the food order is correct. Allen Sisson

ELM BANK *ESTATE* **MEDFIELD on the CHARLES**

Sunday, June 26, 2016 9am - 12:30pm

45 Hospital Rd, Medfield, MA 02052

This event conflicts with the very popular annual TYP356ne Sisson/Grace Backyard Barbecue (see above) on the same day, so here's our plan. We can attend the car show from 9am to roughly 12:30pm or so, then we will caravan as a group the 1-1/2 miles over to Allen and Mary's house for the BBQ that starts at 1:00pm.

The Elm Bank show has grown into one of the major area shows of the season and is always well attended by all genres of motor vehicles. Far more information, as well as a registration form for the event, can be found at their web site, here:

<http://elmbankautoshow.net>

Featured Sponsor

My name is Matthew Alldredge and I am the founder/owner of Retro Automotive Products.

What started out as a hobby, working out of my basement in 2005 only to sell excess parts from my 1967 911 restoration, has blossomed into full time jobs for 5 of us.

We have bought out 11 different Porsche repair shops and just about every Porsche part I could find, bringing our stash up to over 80,000 nice clean original parts ranging from a 1949 Gmund to a 2015 GT3.

Our current 17,000 sf facility is becoming too small and we are now looking for a larger one. We started out selling only on eBay and have had a 100% positive feedback on over 18,000 transactions, but, since advertising in Panorama and Excellence for 3 years, the phone rings constantly, which is fantastic.

Every item we sell is thoroughly cleaned and or refurbished prior to being offered for sale. We truly have wife friendly parts as you can open the box in your living room without fear of getting the carpet dirty.

Please stop by or call anytime.

New Members

Hi - my car is a 57 Speedster Replica - one of 5 Guards Red out of 450 by JPS (John Steele) in California - this car was originally built for one of his best friends in 1999. I acquired it and, with the assistance of my brother, added sway bars to help it handle like a 1980's Porsche, shorted the shifter and throw, put hub caps on, synchronized the carburetors, and have been enjoying it for a year now. Greg Shook.

Diane and Steve Mierz (Branford CT) in their 1963 Karmann Ghia convertible. Owned for about 7 years, originally from the San Francisco area.

Diane spent over 200 hours stripping off 2 coats of non-original paint to expose the original Pacific Blue. Some areas were down to the bare metal which had to be spot painted but, now, about 70% of the car sports original paint. We just found an original interior from a '64 with 45K miles and it will eventually be installed - the idea was to make this look as original as possible.

We've been collecting VWs since the mid 80's and also have a 1950 sedan (one of approx 350 Hoffman cars imported that first year), a 1954 Convertible with an Okrasa engine, a 1956 Karmann Ghia coupe, a 1960 sunroof sedan, and 1969, 1970, and 1973 convertibles.

Missed the boat with 356s but Diane did own a fairly rough 1967 912 for about a year. Very happy to be members of this incredibly active and friendly group!

CLASSIFIED - FOR SALE/WANTED

For Sale

1956 oval-window ragtop sedan. Body-off restoration of an original California car. Stock-looking, but enhanced for 1000-mile tours and life in the left lane. 90 hp, 1776cc dual-port, tall gearing, disc brakes, major sound-deadening, trip odo, tach. Goes, stops, rides and handles like my S90, only it has room for all your stuff. \$29,950.

For more Pics and specs contact—
alex@dearbornauto.com.

For Sale

The following cars are offered to TYP356 NE members before being posted to the public:

1965, 356SC, Ivory w/ black. Fresh restoration of numbers matching southern car, Last owner (2nd) had car for 37 years. Euro delivery to US PCA member, so it's equipped w/ Euro heating system (restored), new tires, muffler, all gaskets, correct German carpet, runs great. Comes w/ Kardex, records. Lots of photos available for photo collectors/tire kickers. Hagerty values this car at \$104k to \$138k - put it in your garage for less than \$95k in time for summer driving.

1970, 911T Targa, Silver w/ black. 77k verified

miles. Very correct car w/COA, numbers matching, 5 speed, solid, no rust example. Restored top, factory alloys, runs great but wrong radio (the only thing I could find). Cocoa mats are on the way.

These Targas are the perfect summer long nose cars and the prices are not going down. Only 1523 produced. Photos on this excellent example available but driving it will be the best way to judge it. You won't believe the way these early cars drive with 125hp in 2200 lbs. It's no wonder that collectors are chasing them. Hagerty says it's \$73.5k - \$112k but you can pick it up for \$88k if you're quick.

PDO356@gmail.com, 617-428-5762

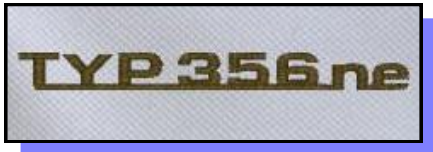

TYP356ne is not responsible for omissions, errors, misrepresentations, payments, etc relative to any classified advertisements. Buy at your own risk!! Send all for sale and wanted items to Ed Tobolski at tobolsed@verizon.net. These items will be run once unless renewed.

CLUB ITEMS AVAILABLE

Clothing- TYP356ne has an online store where you can order hats, polo shirts, canvas bags, and any other item that Land's End Business Outfitters carry in their inventory. The store address is:
<http://ces.landsend.com/TYP356ne>

You know it is our store because TYP356ne will appear in the upper left hand corner of the website. You can customize any of the items you purchase with the black oval patch and/or the gold TYP356ne script.

Name Tags - We have found a quality vendor that can make and ship you a personalized TYP356ne name badge. They are \$8.50 each with the pin style attachment and \$10.50 each with a magnetic attachment, plus \$3.95 postage. Note: the magnetic backing means you do not have to put pin holes in your TYP356ne polo shirt to wear your name badge.

To order go to <http://www.holmesstamp.com/category.aspx?categoryid=207> and click on the TYP356ne name badge and it will take you through the process. Within a few days you will have your personalized TYP356ne name badge delivered right to your door. If you have any comments or questions contact Tom Gentz at tgentz@typ356ne.org.

Club Grille Badge

Club members can purchase the "Official Club Badge" for a cost of \$35.00. It is a beautiful badge. Contact Peter Venuti at pvenuti@typ356ne.org for further information.
