Editorial

There have been questions about the age of those who attend our events. The board has developed guidelines and they are now shown on each event listed on the calendar.

I'm constantly looking for members to be a featured member or to write a featured 356 article about their car. We all like to know a little about our fellow members and their cars. Every 356 has a story and we find them interesting. Please consider writing one of those articles for a future issue of TubTimes. If your not good at writing, just send me some details and lots of pictures and I'll make it fit the space I have available.

Also, in the last issue, I wrote a Book Review. If you've read something of interest to the membership, pass it along and I'll include it in a future issue.

Ed Tobolski, editor, tobolsed@verizon.net

PRESIDENTS MESSAGE

Well we are well into winter now with our cars all safely tucked away. However, spring driving in New England is only a month or so away. Some lucky members are breaking up this 356-driving hiatus with a trip to Los Angeles to attend the 35th Annual Porsche and Vin-

tage VW Literature, Toy and Memorabilia Meet held at LAX Hilton Hotel on Saturday, March 3, 2018. This year there is an extra good reason to go to LA and that is to visit the Petersen Automotive Museum. From February 2018 until January 2019 the Petersen is hosting a large Porsche Exhibit entitled: The Porsche Effect. This exhibit details the history of the Porsche brand development in five thematic sections: Elements of Style; Zuffenhausen and Beyond; Extended Families; Innovation through Competition; and Word/Image/Object. The only place you will likely find more Porsches on display with more information about them would be to travel to the Porsche Museum in Stuttgart. So, if you cannot make it to LA for the Lit Meet try to get there before January of next year to see this exhibit.

Also, while you are there, be sure to take a tour of the Porsche Experience Center in Los Angeles. The Experience Center is a 53-acre facility that really allows you to experience the Porsche brand. There is a 4-mile Driver Development Track where you can sign up to drive, with a Porsche Driving Coach in the Porsche model of your choice, to get a one-on-one experience of what driving these cars as they were meant to be driven is like. They also have driving simulators, for your use, where you can experience virtual driving on the world's top tracks. They have fine dining on site at Restaurant 917 with a Speedster Café bar and patio.

If you do go to LA for the Lit Meet this year or next, be sure to also go to the annual 356 Club hosted So. Cal All-Porsche Swap and Car Display at the Phoenix Club in Anaheim, CA starting at 8 AM, Sunday, March 4, 2018. This is a huge swap meet with many good deals to be had with lots of club members' cars on display.

Be sure to attend our next TYP356ne Club event on Saturday, March 24th; a guided tour by Club member, Alex Finigan, of one of the world's outstanding classic car restoration shops, Paul Russell and Company in Essex, MA. (see page 8). This event will be limited to 50 club members and guests; so be sure to sign up early. Alex tells me that he would like it if members could bring an interested teenager as a guest since they would like to foster an interest in classic cars in the next generation. After the tour, some of us will be getting together to have lunch at Woodman's Seafood Restaurant also in Essex, MA. I hope to see many of you there.

If you cannot make it to Paul Russell check out the many other events we have scheduled for this year in TubTimes and on our website:

www.TYP356ne.org.

Stay warm until next month,
Allen Sisson

BYLAW REVISION

The board has completed a significant revision to the club's bylaws. All members should have received a copy of the proposed new bylaws by email on Feb. 6th. If you have not received a copy or lost yours send me an email (tobolsed@verizon.net) and I will send you another copy.

The membership has 30 days from Feb. 6th to review the changes and make any comments. The 30 day period ends on March 8th. During the March 12th board meeting, the board will review all comments from the membership and finalize the new bylaws. After that final review by the board, they will be completed and in effect.

2018 CALENDAR OF EVENTS

All TYP356ne club organized events are shown in blue. The events in black are not club events but are included since they may be of interest to the membership.

The loss of a legend. Dan Gurney passed away on January 15th at the age of 86.

Dan Gurney was an extremely talented driver, constructor and race team manager. His ties to Porsche go way back. Dan began racing a TR2 in 1955, but his first victory was driving his 1956 Speedster. During his Formula One career he drove for Ferrari, BRM, Porsche and Brabham. In 1961 and '62, he raced for Porsche's Formula 1 team and achieved a pole at the Nurburgring and Porsche's lone F1 victory in the 1962 French Grand Prix.

Dan Gurney, as well as being a world-class driver who survived and excelled in one of racing's most deadly eras, was one of motorsport's greatest innovators and free-thinking spirits. He, eventually, formed his own team and won the Belgian Grand Prix in 1967 in his own car; the only time an American won an F1 race in a car of their own design. His

Gurney/Westlake Eagle was not only fast but one of the most beautiful race cars ever built. I had the pleasure to see the one below at the Glen many years ago. Ed. T

PAUL RUSSELL TOUR—SATURDAY MARCH 24TH AT 10:00AM

This edition of Tub Times will officially open registration for our tour of Paul Russell Restorations at 106 Western Avenue, Essex, MA. 01929

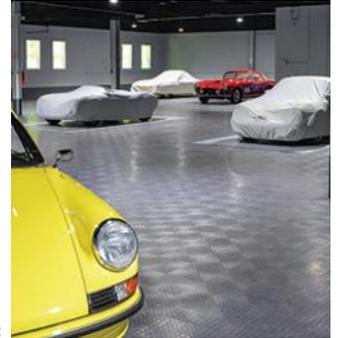

This event is limited to 50 members. This limit is set to allow attendees to hear the remarks by our member, Alex Finnigan, who will be again leading the tour, and to permit everyone to get up close and personal with the fantastic restoration work that they do.

To get your name on the list you must send an email to me at PDQ356@gmail.com before Mar 20th at 5pm (except for you Peter).

We ask that members help Paul Russell Restorations support Fisher House Boston (<http://fisherhouseboston.org/>), a charity that assists military families while undergoing medical treatment, by bringing a check (or cash) made out to Fisher House Boston for \$15 each.

As in years past, cell phones and cameras are NOT permitted inside the building. Children (or grandchildren) of members are encouraged to attend for free.

At the conclusion of the tour all are invited to motor down to Woodman's on the water in Essex for lunch. You'll enjoy talking about this tour all year, don't miss it. KTF

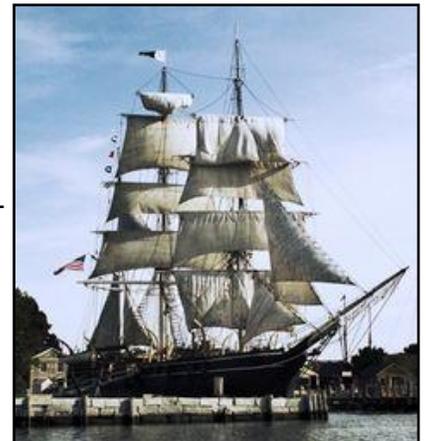

TYP356NE SPRING MYSTIC MINI-TOUR THURSDAY AND FRIDAY, MAY 24TH AND 25TH

Open the driving season by joining fellow 356ers for a another tour on SE Connecticut's beautiful Porsche roads. Thursday and Friday, 24-25 May are the dates, scheduled for

low hotel rates, less driving congestion and (as applicable) safer I-95 rides to and from Connecticut.

Enjoy a guided introduction to the historic Mystic Seaport, Museum of America and the Sea. Savor a banquet at one of the New England's top seafood restaurants. Enjoy browsing Mystic's quaint shops. Top it off with a great 356 drive over the back

roads of SE Connecticut's wine country, where we will actually visit a few vineyards and close with a lunch at one of them.

A Friday only option will be open a la "loafer's lunch" for local Connecticut drivers, but you won't want to miss Thursday's activities and the ambiance of Mystic.

More details and sign-up to follow later in March, but mark your calendars now for the Spring Mystic Mini Tour, May 24th and 25th.

Greg and Anna Marie Lane

PS- Greg and Anna Marie have arranged for cool dry, Southern Connecticut, weather this year!!!

The Great Race is coming to New England this year, and we can be there! One of the stops in this cross-country rally is the Owls Head Museum of Transportation on June 27th.

This is a great time of year for a road trip up the coast of Maine, so plan to join me and Danna for an overnight or two and see the action in person instead of on TV.

Who: Typ356NE members and their guests.

What: Road trip from York, ME. to Camden, ME. (2.5-3.0 hours), event at Owls Head.

When: 12:00 Tuesday, June 26, Meet at York Region Chamber of Commerce,
1 Stonewall Lane, York, ME., Rte 95 exit 7. Drive to Inn.
11-3, Wednesday, June 27, lunch at Owls Head Museum.

Where: Overnight at Country Inn, 8 Country Inn Way, Rockport, ME., 207 236 2725.

Why: The Great Race is a transcontinental professional rally for pre-war and other old cars. (see website) The GR schedule includes a lunch stop for the competitors at Owls Head from 12-3 on Weds, 6/27.

For more information visit these websites— www.OHTM.org
www.countryinnmaine.com
www.greatrace.com

More info:

The Country Inn is a nice find. We went there with the Mercedes-Benz club and found it to be a good value. The rates are \$119, \$129, and \$139, with a \$10 voucher per room if you stay for breakfast in their restaurant. They offered us 10% off if you reserve by [APRIL 1, 2018](#). So the \$119 becomes \$107, and the voucher makes it \$97/night.

The grounds include a lawn with pond and gazebo. Parking is next to your room, motel-style. **CALL KRISTI at 207 236 7345 and MENTION VINTAGE PORSCHE CLUB**, then let me know if you have signed up. We can work out a dinner once we know how many are signed up. The Great Race competitors will be hosted by Owls Head for a catered lunch from 12-3, Weds, June 27. The Museum has assured me that lunch will be available for us and for other camp-followers on the Museum campus.

Our drive route on Tuesday could pass through Gardiner, ME, which just happens to be the place where Great Racers will overnight before proceeding to Owls Head.

Keep me posted, and have a great spring.
