Editorial

It's been a crazy winter in the Northeast, with multiple Nor'easters, lots of snow, rain, and wind. We had a tree fall and hit our garage during the first storm, fortunately there was no damage to the Porsches. Hopefully the worst is over, we've had time to get over the Patriots loss in the superbowl, and we can start to think about driving our Tubs again. There are a lot of events on the calendar so join your fellow members at an event soon.

I'm particularly excited about the 2018 ECH in Ocean City, NJ, in October. Darlene and I grew up in South Jersey and spent many summer days on the Ocean City beaches. The highlight for me is being able to drive the Tub on the boardwalk. Back in the day we could only ride bikes on the boards. There will be two opportunities to drive the Tub on the boards during the event. Registration is open now, see above.

PRESIDENTS MESSAGE

Thanks to the arrangements made by board members Tom Tate and Lisa Siegel, 50 Club members and guests attended the first Club event of this season on March 24th touring Paul Russell and Company's outstanding classic car restoration shop. Club member, Alex Finigan,

gave us a complete detailed tour of this extensive facility. Everyone in attendance was very impressed by the quality of work on display. See page 10.

Hopefully the piles of snow will soon melt, and it will rain in the next couple of weeks washing the salt from the roads allowing some of us to meet at my home for the first driving event of the season, a loafer's lunch on Thursday, April 19th, starting at 10 AM. I hope to see several of you there with your cars fresh out of winter storage for a spirited drive through the back roads of Medfield, MA. and surrounding towns. See page 7 for more details.

Member Peter Thompson has graciously arranged for the third Club event of the season on Saturday, April 28th, a swap meet at his home in West Newbury, MA. Peter will have his garage all

set up for members to display any items we would like to sell. I am sure most of us have some spare parts we have accumulated over the years that could be used by others for their projects. So, look around and bring those items with you to Peter's garage. See page 7 for more details.

The Club has many more events planned for every month from now through October. So be sure to visit our website: www.TYP356ne.org to check the schedule for the events you would like to go to. Start by getting your cars ready for the busy driving season.

TYP356NE SPRING SWAP MEET

Saturday, April 28th, 10:00am—12:00pm

It's been several years since we have had a swap meet, so here's your opportunity to sell some of those old parts you have had hanging around the house for years and perhaps pick up something new (to you) that you can use. This event will be held in Peter Thompson's large garage at his home on 24 Turkey Hill Road, West Newbury, MA 01985.

Directions- Peters home is located a short distance from exit 56 of I-95. If your going North on I-95, take a left at end of the exit ramp then the first right onto Turkey Hill Rd. If your going South on I-95, take a right at the end of the exit ramp and then the first right onto Turkey Hill Rd. No. 24 is the third house on left.

Peter has plenty of room for parking and tables will be provided to display your items. Bring anything Porsche related you would like to sell or trade. Adults and children of all ages are welcome. Coffee and pastry will be available.

We need to know the amount of coffee and pastry to have available and the table space to provide. Therefore, if you are planning to attend the swap meet, please send Allen Sisson an email (dkwf5700@gmail.com) to let him know that you are coming and, if you are planning to sell or swap some items, a rough estimate of how much table space you might need.

FUTURE EVENTS

TYP356NE SPRING MYSTIC MINI-TOUR THURSDAY AND FRIDAY, MAY 24TH AND 25TH

This year's mini-tour, again organized by member Greg Lane, will focus on the great roads and destinations in beautiful and historic Mystic and Stonington, CT. Rooms are being held at the Taber Inn and Suites, which are conveniently located near downtown Mystic and have safe parking. Local TYP356ne members are welcome to join for Friday only, but must register per below. Two-day participation is highly recommended as the Mystic/Stonington area is full of history, attractions, quaint shopping plus, at this time, plenty of 356 friends. Why not come early and/or linger into the weekend?

Tour highlights include:

- **Thursday afternoon (2:00pm):** Introduction and guided tour of the Mystic Seaport Museum's grounds. Mystic Seaport was listed by Money Magazine as the most-visited tourist attraction in Connecticut. <https://www.mysticseaport.org/> We will gather at the South entrance, on 75 Greenmanville Ave, Mystic, CT 06355 at 2:00pm. The tour starts 2:30pm from the gazebo.
- **Thursday evening (6:00pm):** Outdoor banquette at The Dog Watch Mystic, 20 Old Stonington Rd. Stonington CT. 06376, <https://dogwatchcafe.com/>. The banquette entre can be ordered off the menu. Beer and wine at your expense. There will be "open time" for shopping/exploring downtown Mystic before and after the banquette.
- **Friday morning (10:00am):** Stage cars at the Taber Inn, 66 Williams Ave, Mystic, CT 06355, <http://taberinne.com/>. Driving tour commences Friday at 10:30am sharp. The first stage of the tour will include beautiful coastal roads and a glimpse of a colonial-era village, capped by lunch and a wine tasting at the Saltwater Farm Vineyard, <http://saltwaterfarmvineyard.com/>.

The tour will continue on inland roads through rolling hills, beautiful farm and lake country to the Pequot Museum and Research Center <http://www.pequotmuseum.org/>, where we will get a guided introduction and facility tour. This museum is more intriguing than one might expect. Having seen both, tour organizer Greg, considers this museum better executed than the National Native American Museum in Washington, D.C.

The mini-tour closes at the Pequot Museum. Linger there, return to Mystic or start for home at approximately 3:00pm.

Program costs:

Thursday Program: \$70.00 per person for this day's program. This includes the Mystic Seaport entrance and tour plus banquette at the Mystic Dog Watch.

Friday Program: \$50.00 per person for this day's program. This includes lunch and wine tasting at the Saltwater Farm Vineyard in Stonington plus the guided introduction and tour at the Pequot Museum.

To participate, email Greg Lane at GKAMLane@comcast.com. Deadline is Thursday, May 17th. Kindly provide the following:

- Name(s) and contact information: Cell number, email address. This is an adults only event.
- Car description (model, year, body and color). "Backup car" in case inclement weather is predicted.
- Two-day participant or Friday only?
- What is your (Friday) lunch preference? Beef, chicken, or veggie wrap?

Please send a check for participation costs: \$70.00 Per person for Thursday, and/or, \$50.00 per person for Friday to Greg Lane - 13 Bradley Road, Madison, CT. 06443.

Questions? Call or email Greg at: H:(203) 245-0240. C:(475) 201-5378. GKAMLane@comcast.net.

Rooms have been reserved at the Taber Inn at a group rate (mention "Porsche club") of \$139.00 (plus taxes) for Thursday arrival, 24 May. Protected courtyard parking will be provided. Please book your own accommodations at 866-822-3746. <http://taberinne.com/>
See you there! Greg and Anna Marie Lane

The Great Race is coming to New England this year, and we can be there! One of the stops in this cross-country rally is the Owls Head Museum of Transportation, June 27.

What: Road trip from York, ME to Camden, ME (2.5-3.0 hrs) , and event at Owls Head.

Visit: OHTM.org
Cedercrestinmaine.com
www.greatrace.com

More info:

Cedar Crest Inn is a nice find. We went there with the Mercedes-Benz club and found it to be a value. The rates are \$119, \$129, and \$139, with a \$10 voucher per room if you stay for breakfast in their restaurant. They offered us 10% off if you reserve by **APRIL 1**. So the \$119 becomes \$107, and the voucher makes it \$97/night.

The grounds include a lawn with pond and gazebo. Parking is next to your room, motel-style. Call or email Kristi at - 207 236 4839, kristi@cedarcrestinmaine.com. MENTION VINTAGE PORSCHE CLUB, then let me know if you have signed up. We can work out a dinner once we know how many are signed up. Great Race competitors will be hosted by Owls Head for a catered lunch from 12-3, Weds June 27. The Museum has assured me that lunch will be available for us and for other camp-followers on the Museum campus.

Our drive route on Tuesday could pass through Gardiner, ME, which just happens to be the place where Great Racers will overnight before proceeding to Owls Head.

Keep me posted, and have a great spring. Alex

RECENT EVENT

PAUL RUSSELL TOUR—SATURDAY MARCH 24TH

Tuesday March 20th was the first "official" day of Spring but for the members of the TYP356ne club Saturday March 24th tour at Paul Russell & Company in Essex Ma seemed to be the start of the Spring calendar of events for the club. With a great turnout of 50 or more members and guests we were allowed a rare opportunity for a guided tour.

For car lovers and enthusiasts it provided a firsthand look at the behind the scenes preservation, maintenance, restoration, love and OH - do not forget the costs for an authentic historical preservation project or concours event car. With a 3 year waiting list and lots of cars waiting to be meticulously brought back to the day it left the showroom the real connection for this shop is their long standing client reputation and the careful honor that they take in honoring the historic heritage of each car.

One of the rules of the tour was no cameras or photos would be allowed so you will need to leave the tour to your imagination since we cannot provide any pictures of the client cars. What I can share with you is that the TYP356ne club members and guests had a great time meeting in the morning to share coffee & donuts and take a great tour to see the personal passion of this shop. Followed by lunch at famous Woodman's in Essex we all a lot to talk about the things we saw that morning. Ready for Spring ! Lisa Siegel

BOOK REVIEW

For those of you who may have missed it, *The Art of Racing In the Rain* (Garth Stein, 1995) is great read about racing cars, a family, and a dog. Interesting, as the story is seen through the eyes of the dog. It will make you think differently about dogs, and give you some good tips on driving and life. Wonderful story.
