TubTimes is adding new Columns

Featured Member

In the last issue of TubTimes I ran a featured member article about Bill Sooter. The *Featured Member* article will become a regular column, 4 times a year, in the full versions of TubTimes. Bill Sooter has agreed to coordinate this column. As coordinator, he will be contacting members asking if they are willing to be a featured member and providing them the information needed to complete an article. Everything will be sent to the editor to be assembled for inclusion in the next issue. I hope everyone will respond positively to Bill's requests. This is a way for us to get to know each other better. Norman Brust will be the next featured member.

You-Do-It

In an effort to help owners learn more about working on their 356's, Niece Haynes has agreed to coordinate a new regular column called *You-Do-It*. This new column will be in the full versions of TubTimes only. Niece regularly does work on her car and is eager to share her experience with other members. We will also welcome articles from other members about their own projects and any projects that they would like to learn about. With the broad range of experience of our membership, we should be able to help each other keep our Tubs running and looking their best, while leaving the serious work to the professionals.

Alex Dearborn is planning to attend the West Coast Holiday in Stevenson, Washington on Aug 27- 30. If anyone is planning to attend the event, contact Alex if you would like to coordinate your itineraries. alex@dearbornauto.com
